We have been donating over \$20,000 per year to the Children's Cancer Institute for over 20 years. Children's Cancer Institute is the only independent medical research institute in Australia wholly dedicated to curing childhood cancer. More children die from cancer than any other disease, so their research is critical. Shortly, all children diagnosed with cancer in Australia will have access to precision medicine thanks to the Children's Cancer Institute. We encourage schools to support the Children's Cancer Institute - www.ccia.org.au
